### 2025 Foundation (Prep) enrolments

The Department of Education has released an updated statewide Foundation (Prep) enrolment timeline for the 2025 school year.

The timeline advises families when and how to enrol their child into Foundation (Prep) at a Victorian government primary school, including Kent Park Primary School.

All government primary schools will follow the timeline in 2024 to support Foundation (Prep) enrolments for the 2025 school year.

You can find information and resources about the timeline, including factsheets and a poster at: [Enrolling in Foundation \(Prep\)](#). You can also download the '*Foundation (Prep) Enrolment Information Pack for Parents and Carers*' from [Enrolling in Foundation \(Prep\)](#).

**What you need to do:**

1. Contact our school administration on 9763 8055 to book a school tour or to learn more about our school and the enrolment application process.
2. Download the Foundation (Prep) enrolment information pack from [Enrolling in Foundation \(Prep\)](#) (available **from 15 April 2024**). This pack includes an application form, which you can also request from our school.
3. Submit an online enrolment application (see more info below) for Foundation (Prep) **by Friday 26 July 2024**.
4. You will be notified of the outcome of your application **between Monday 29 July and Friday 9 August 2024**. If you receive an enrolment offer, you should contact our school to accept the offer by **Friday 23 August 2024**.
5. Take part in enrolment information and transition sessions during Term 4, 2024.

Enrolment applications submitted after 26 July 2024 will be processed by our school as they are received, in accordance with the department's Placement Policy.

This year our school is using an online system for new enrolments to Victorian government schools called VicStudents.

VicStudents is available for students who are enrolling in a Victorian Government School for the first time. This includes Foundation (Prep) enrolments for 2025.

VicStudents has been assessed by the Department of Education to a high degree of security in line with the [Victorian Protective Data Security Standards](#) and is compliant with ISO 27001, the leading international standard for information security.
